Expanded Eligibility Pilot Program Info Paper.docx;

Hi Kyle and Keith,

Please see attached Information Paper about an opportunity for military connected high school students in certain locations to register for courses through the DoDEA Virtual High School. The opportunity is called Expanded Eligibility Pilot Program. We ask that you please share this information with MISA members. Additional information will be forthcoming including our new Virtual School website URL and registration specifics.

If you or your members have questions, please reach out to my colleagues Mr. Michael Kline, he can be reached at Carroll.Kline@dodea.edu or Ms. Scarlet Lake, Virtual School Lead Administrator with questions. She can be reached at scarlet.lake@dodea.edu.

Really appreciate you sharing this information.
